# BACKGROUND OF STSPMF

The Straits Times School Pocket Money Fund was started in 2000 as a community project initiated by The Straits Times to provide pocket money to children from low-income families to help them through school. The children can use this money for school-related expenses, such as buying a meal during recess, paying for transport or using it to meet other schooling needs. The financial help also eases the burden of the many parents who are already struggling to feed their families on their meagre incomes.

The Fund supports about 10,000 children and youths a year. Since the project started in 2000, STSPMF has disbursed more than \$100M and helped over 220,000 cases of children and youths in providing them with monthly school pocket money.

Over the past years, STSPMF has grown its network to work with the Ministry of Education, government-aided/ independent and special needs schools, tertiary institutions, as well as social service agencies such as youth centres, family service centres and children’s homes, in disbursing the funds to students from low-income families. STSPMF will continue to expand the outreach to students in need by partnering with more schools and agencies.

STSPMF was established as a Trust on 20 October 2010 with a Board of Trustees and was granted charity status on 14 November 2011 with Institution of A Public Character (IPC) status effective from 1 January 2012.

STSPMF was awarded the Charity Transparency Dedication Award 2024 by the Charity Council in recognition of good transparency and governance.

# Chairman's message

This year, we celebrate our nation's 60th birthday. The theme of SG60 is "Building Our Singapore Together", with the aim to rally Singaporeans to build our future together and be platforms to Connect, Contribute and show Care. So as we reflect on our nation's growth journey and celebrate how far we have come, let us not forget the less resourced children and youths amongst us.

Last year, the fund supported more than 7,200 students with a total disbursement of about \$6M, including an additional one-time special grant of \$100 each. This grant is meant to further supplement our students' educational expenses, and is a demonstration of our constant effort to assess our means to provide as much support as feasible to them.

In addition, following feedback and consultations with our school and agency partners, we implemented 3 significant policy and process changes. First, students who are on Ministry of Education Financial Assistance Scheme (MOE FAS) or whose families' are receiving ComCare Short-to-Medium Term Assistance (ComCare SMTA), can automatically qualify for our fund without the need to provide supporting income documents for their application. Second, the housing type eligibility criteria of 4-room HDB flat or smaller has been removed. Third, agencies can apply for fund support for their clients for up to 12-months each time, from the previous 6-months. These changes aim to streamline the application process, enabling our fund to be more inclusive. An increase of more than 50% of students is projected to benefit from our fund this year, compared to last year.

It would not have been possible for us to reach out to the many students whom we are supporting without the close partnerships of schools and social service agencies. As of 2024, we work with 328 schools on fund disbursement, including 3 new schools- CHIJ (Katong) Primary School, CHIJ Our Lady Queen of Peace and Madrasah Aljunied Al-Islamiah, and 67 social service agencies, including 3 new agencies and special education schools- Chen Su Lan Methodist

Children's Home, Eden School and Pathlight School. We constantly expand our network in order to be accessible to our students.

Beyond financial assistance, with the kind sponsorship of our corporate partners, our students were also given opportunities to experiences beyond their classrooms, such as enjoying lunch treats, visiting the Zoo and attending cooking class.

A significant milestone last year was ChildAid. The annual children's fundraising concert, organised by The Straits Times and The Business Times in support of STSPMF and The Business Times Budding Artists Fund, celebrated its 20th anniversary. Titled 'The Dream Emporium', the musical was inspired by the limitless potential that every child holds and the belief that with the right support and opportunities, their dreams can become reality. Over 3 shows on 29 and 30 November at the Esplanade Theatre, the concert raised more than \$2M for the 2 charities.

Most importantly, STSPMF is only able to do the good work for our students because of the contributions from all our donors and fundraisers. We are extremely fortunate to have the continuing support of many organisations such as Wilmar International and UOB, as well as many generous individuals such as Mr Kuok Khoon Hong, Mr Mohamed Abdul Jaleel, Mr Teo Hock Chwee and Mr Dilip Babu. I would like to express my heartfelt gratitude to everyone who has supported our cause through the years. Thank you for enabling us to do what we do.

With your support, we can make a difference to the lives of our less privileged students and their families. Let us build our Singapore together, where every child has a promising future.

Thank you.

# OUR BENEFICIARIES STORIES

## Rauzan Adrian

Rauzan Adrian, a Secondary 2 student from Temasek Secondary School, lives in a one-room HDB rental flat with his parents and six siblings. His father is the sole breadwinner with an unstable income. The family has sought financial assistance from Thye Hua Kwan Moral Charities, which has helped Rauzan apply for STSPMF.

With STSPMF’s assistance, Rauzan is able to top up his bus fare and purchase additional school books and materials. He can also enjoy his favourite food during recess.

Rauzan’s financial challenges does not stop him from pursuing academic excellence. He understands the importance of education and is determined to work hard to achieve his goals.

It is heartening that while he is receiving support from his community, he is also giving back. In November 2024, he volunteered at the Chai Chee Fiesta held by

Thye Hua Kwan Family Service Centre @ Bedok North. He was tasked with manning and entertaining the children in the bouncy castle. He enjoyed the volunteering experience and would want to do it more in the future.

## Sri Ramachandran S/O Vijayan

Ramachandran is a Year 2 student at Mountbatten Vocational School. He lives with his mother and six siblings. Through STSPMF’s assistance, Ramachandran is able to top up his EZ-link card for transport and have extra cash to be used for his shot put training. Inspired by Muhammed Diroy, our Singapore National Paralympian, Ramachandran trains with Para-athletes Singapore, hoping to compete internationally in future.

Ramachandran is a caring individual who actively supports his classmates in times of need. He socialises well with them and watches out for them. To the teachers, the responsible and helpful Ramachandran is a gem who helps them manage his classmates.

Ng Wei Hao

12-year-old Wei Hao is a student at Boon Lay Gardens Primary School. He lives with his older sister, aunt, uncle, and cousin. He used to be shy and anxious in school. However, with the support of STSPMF, he has grown to be more confident.

He is deeply passionate about Wushu as it has taught him discipline, resilience and to always give his best. His dedication to the sport has led him to represent his school in competitions and participate in various community events, where he can display his skills and perseverance.

A naturally curious learner, Wei Hao enjoys reading and learning new knowledge. He reads widely and visits the library frequently. He is extremely interested in science, especially entomology – the study of ants. He hopes that he can use his knowledge and skills to help others and make a positive impact in the world.

Tanisha D/O Ganeson

Tanisha is 16 years old and is a student at Crest Secondary School. She lives with her mother who is a single parent. Tanisha's mother was retrenched during the COVID-19 pandemic and finances were challenging for the family as her mother was the sole breadwinner.

STSPMF has helped Tanisha and her mother overcome these difficulties as the assistance helped support them in their daily needs.

Despite these difficulties, Tanisha remains courageous and resilient, excelling in her academics while also assuming the demanding role of the President of the Student Council in school. In her role, she oversees the entire Student Council Board and takes charge of the daily morning duties of the school. She also works closely with the teachers to organise school events and major celebrations for the student body.

Passionate about the wonders of the animal kingdom, Tanisha dreams of becoming a marine biologist or veterinarian. She would like to turn her fascination into a meaningful career one day.

# THANK YOU!

# BEYOND POCKET MONEY

Oishii lunch and fun

Beneficiaries and their families were invited to a lunch treat at the Torasho Ramen & Charcoal Bar restaurant on 27 Jan 2024. The treat was in celebration of the fourth anniversary of Torasho Ramen & Charcoal Bar, The Chef Company’s first eatery. A funfair within the outlet had Japanese food booths and game stalls, with highlights including demonstrations of tuna fish cutting and wagyu beef carving.

The Chef Company also donated \$8,888 to the Fund. The company’s director, Mr Sho Naganuma, said: “The contribution to STSPMF is a meaningful way to improve the lives of underprivileged kids, giving them the chance to receive an education and end the cycle of poverty.”

Giraffe poo and a day at the zoo for STSPMF beneficiaries

On 06 Sep 2024, Kone brought 31 students from Riverside Primary School who are beneficiaries of STSPMF to the zoo.  
  
The pupils were visibly thrilled when they got to pet animals such as a ball python during an animal show.  
“I feel very happy because the first time I get to come to the zoo is with my siblings and friends,” said Fa’tеха, who comes from a family of eight.  
  
Her nine-year-old sister, Nurfaqirah, said: “We’ve never been to the zoo before because it’s too expensive to come together (as a family).”  
  
Fa’tеха’s friend, Tan Zhen, 10, chimed in: “I will tell my parents and friends about what I see today!” They were among six pupils that day who were making their maiden visit to the zoo.

**'Bags of Joy' spread festive cheer to 300 beneficiaries of STSPMF**

To help spread festive cheer, 60 volunteers from a local financial advisory firm, PFPFA, delivered "Bags of Joy" to 300 beneficiaries of STSPMF islandwide on Dec 17.

Families received groceries worth about \$50, which included sunflower oil, biscuits, instant noodles, instant oatmeal, coffee and canned food. The beneficiaries also received a \$50 Sheng Siong voucher each.

One beneficiary who received the goodie bag was 13-year-old Ang Mo Kio Secondary School student Yew Zhe Hao.

His mother Jane Lim, 47, a part-time sales assistant, said the groceries were daily necessities for her family, and they are grateful for them.

She added that the fund allows her son to participate in school activities, such as camps.

PFPFA also raised over \$80,000 for STSPMF during their annual charity dinner.

ChildAid, a charity concert which showcases young talent, is organised by The Straits Times (ST) and The Business Times (BT) and in support of The Straits Times School Pocket Money Fund and The Business Times Budding Artists Fund. The first concert was held in 2005, making the 2024 concert its 20th iteration.

Titled “The Dream Emporium”, the 2024 concert – held on Nov 29 and 30 – was set in an enchanting world where children’s dreams come alive through song, dance and artificial intelligence (AI) technology. It commemorates the dedication to make every child’s dream come true whilst also recognising that not everyone starts at the same starting line in life. Yet, above all, it seeks to sow seeds of hope for the future and celebrate the boundless talents and imagination of our young ones.

During the 90-minute show, guests, including President Tharman Shanmugaratnam and SPH Media CEO Chan Yeng Kit, were invited to participate through various interactions such as voting for the wildest dream through live participation by raising their hands, and turning on their mobile phone torch to assist in the recovery of the AI machine.

**The event raised about \$2.1 million through ticket sales and donations from the following generous sponsors:**

Board Governance

STSPMF has a Board Governance policy to ensure transparency and integrity. The board periodically reviews the vision and mission to ensure that it stays relevant to the changing environment and needs. The board is independent from full-time employees.

There is no paid staff, being a close member of the family belonging to the Executive Head or a governing board member of the charity. Board members do not hold staff appointments and are not remunerated for their board services.

Board Composition & Roles

- The Trustees shall be responsible for the proper and smooth operation of STSPMF and ensure compliance with the relevant laws, rules, regulations and Code of Governance for Charities and IPC.
- The Trustees shall observe key principles of good governance of the Board which include, but not limited to the following:
  - a. Advance STSPMF charitable objectives and safeguard STSPMF's assets
  - b. Ensure STSPMF is accountable to the public, donors and all key stakeholders
  - c. Exercise independent judgement and act in the best interests of STSPMF, the stakeholders, namely beneficiaries, donors, general public, governing bodies and STSPMF employees
- The Board shall comprise trustees who possess suitable personal attributes, core skills or competencies and commitment.
- The Board shall collectively oversee the requirements of the audit, programmes & services, fundraising, appointment / nomination and human resources. Designated trustees may be appointed to form separate committees for these areas, where necessary.

Conflict of Interests

All board trustees declare their interests by way of a Conflict of Interest Disclosure Statement regularly and do not participate in discussions of matters where there may be direct or indirect conflict.

Whistle-blowing policy

STSPMF has policies to ensure that there are proper avenues for employees or stakeholders to raise concerns on any actual or suspected improprieties. All matters raised will be looked into and investigated.

Code of Ethics

The Code of Ethics and Conduct serves to define the values of STSPMF. All trustees, staff and volunteers are required to act with integrity and honesty in all their dealings as representatives of the organisation.

Policy on Reserves

STSPMF Reserves Policy takes into account its current scheme of disbursements of school pocket money to approved beneficiaries through social service agencies and schools. The reserves policy is maintained at 3-5 years to ensure that it can continue its commitment to help needy students even in years when donations are low.

Anti-Money Laundering/ Countering Financing of Terrorism Policy

STSPMF abides by an Anti-Money Laundering / Countering Financing of Terrorism policy, which sets out the measures adopted by the charity to guard against the risks of money laundering and terrorism financing in the course of its charitable activities.

Environmental, Social & Governance (ESG) Policy

STSPMF ESG Policy sets out the environmental, social and governance principles adopted by the Fund in its operations, charitable activities and investments.

**Independent Auditor's Report to the Trustees of  
THE STRAITS TIMES SCHOOL POCKET MONEY FUND**

**Report on the audit of the financial statements**

**Opinion**

We have audited the accompanying financial statements of The Straits Times School Pocket Money Fund., (the "SPMF") which comprise the statement of financial position as at 31 December 2024, and the statement of financial activities, and statement of cash flows for the year then ended, and notes to the financial statements, including a material accounting policies information.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Trustees Act 1967 (the "Trustees Act"), the Charities Act 1994 and other relevant regulations (the Charities Act and Regulations) and the Charities Accounting Standard so as to give a true and fair view of the financial position of SPMF as at 31 December 2024 and of the financial performance, changes in funds and cash flows of SPMF for the year ended on that date.

**Basis for opinion**

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of SPMF in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other information**

Management is responsible for the other information. The other information comprises the information included in the statement by the Board of Trustees and the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of management and trustees for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Trustees Act, the Charities Act and Regulations and the Charities Accounting Standard, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing SPMF's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate SPMF or to cease operations, or has no realistic alternative but to do so.

The trustees' responsibilities include overseeing SPMF's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SPMF's internal control.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**Independent Auditor's Report to the Trustees of  
THE STRAITS TIMES SCHOOL POCKET MONEY FUND**

– 3 –

**Auditor's responsibilities for the audit of the financial statements**

- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on SPMF's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause SPMF to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on other legal and regulatory requirements**

In our opinion, the accounting and other records required to be kept by SPMF have been properly kept in accordance with the provisions of the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that caused us to believe that during the reporting year:

- a) SPMF has not used the donation monies in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- b) SPMF has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

The engagement partner on the audit resulting in this independent auditor's report is Kelly Lee Pei Woon.

## THE STRAITS TIMES SCHOOL POCKET MONEY FUND

### Notes to the Financial Statements 31 December 2024

#### 1. General information

The Straits Times School Pocket Money Fund (“SPMF”) was established in Singapore on 20 October 2011 as a charitable trust. SPMF was registered as a charity under the Charities Act, Chapter 1994 on 14 November 2011. SPMF was granted the status of an Institution of a Public Character on 1 January 2012 under the Charities Act 1994. This was subsequently renewed till 31 January 2026. The financial statements are presented in Singapore dollars.

SPMF took over from The Straits Times School Pocket Money Fund Community Project (“SPMF Community Project”) which was initiated by The Straits Times in October 2000 and administered by the National Council of Social Service (“NCSS”). This project was for the sole purpose of providing pocket money to primary and secondary school children.

The principal activity of SPMF is to provide school pocket money to children and youth in need to pay for school related expenses and to support the social and educational development of children and youth in Singapore.

School pocket money is disbursed through SPMF approved disbursing agencies which are NCSS network of family service centres (“FSCs”), government schools, government-aided schools, non-government schools, special schools and children’s homes. With the establishment of SPMF as a charitable trust, all the assets and commitments of the SPMF Community Project were transferred to SPMF.

The Board of Trustees approved and authorised these financial statements for issue on the date of the statement by the Board of Trustees.

The registered office address is 1000 Toa Payoh North, News Centre, Singapore 318994.

#### Statement of compliance with financial reporting standards

These financial statements have been prepared in accordance with the Charities Accounting Standards as issued by the Accounting Standards Committee under Accounting and Corporate Regulatory Authority (“ASC”). SPMF is also subject to the provisions of the Charities Act 1994 and the Trustees Act 1967.

#### Basis of preparation of the financial statements

The financial statements are prepared on a going concern basis under the historical cost convention except where a financial reporting standard requires an alternative treatment (such as fair values) as disclosed where appropriate in these financial statements. The accounting policies in the financial reporting standards may not be applied when the effect of applying them is not material. The disclosures required by financial reporting standards may not be provided if the information resulting from that disclosure is not material.

### 2. Material accounting policy information and other explanatory information

#### 2A. Material accounting policy information

##### Foreign currency transactions

The functional currency is the Singapore Dollar as it reflects the primary economic environment in which SPMF operates. Transactions in foreign currencies are recorded in the functional currency at the rates ruling at the dates of the transactions. At the end of each reporting year, recorded monetary balances and balances measured at fair value that are denominated in non-functional currencies are reported at the rates ruling at the end of the reporting year and fair value dates respectively. All realised and unrealised exchange adjustment gains and losses are dealt with in the statement of financial activities. The presentation of the financial statements is in the functional currency.

##### Income recognition

Revenues including donations are recognised where there is entitlement, certainty and sufficient reliability of measurement.

##### (i) Donations

Donations and amounts from fund-raising projects are recognised as and when is receivable.

##### (ii) Interest Income

Interest income is recognised when receivable.

##### Gifts-in-kind

SPMF enjoys regular pro-bono legal and other support services from SPH Media Limited. SPH Media Limited also provides the use of office premises to SPMF at a nominal fee of \$1 (2023: \$2) per year. For gifts-in-kind that cannot be reliably measured, no value is presented in the financial statements. SPMF recognised \$950 (2023: \$3,714) of gifts-in-kind for items that can be reliably measured. In addition, no value is ascribed to volunteer services.

##### Employee benefits

Contributions to defined contribution retirement benefit plans are recorded as an expense as they fall due. SPMF's legal or constructive obligation is limited to the amount that it agrees to contribute to an independently administered fund, that is, the Central Provident Fund in Singapore. For employee leave entitlement the expected cost of short-term employee benefits in the form of compensated absences is recognised in the case of accumulating compensated absences, when the employees render service that increases their entitlement to future compensated absences; and in the case of non-accumulating compensated absences, when the absences occur. A liability for bonuses is recognised where SPMF is contractually obliged or where there is constructive obligation based on past practice.

##### Income tax

As an approved charity under the Charities Act 1994, SPMF is exempted from income tax under Section 13(1)(zm) of the Income Tax Act 1947.

2A. Material accounting policy information (cont'd)

Property, plant and equipment

Depreciation is provided on a straight-line basis to allocate the gross carrying amounts of the assets over their estimated useful lives of each part of an item of these assets.

The annual rates of depreciation are as follows:

Computer equipment	– 3 years
Renovation	– 3 years

An asset is depreciated when it is available for use until it is derecognised even if during that period the item is idle. Fully depreciated assets still in use are retained in the financial statements.

Plant and equipment are carried at cost on initial recognition and after initial recognition at cost less any accumulated depreciation and any accumulated impairment losses. The gain or loss arising from the derecognition of an item of plant and equipment is measured as the difference between the net disposal proceeds, if any, and the carrying amount of the item and is recognised in profit or loss. The residual value and the useful life of an asset is reviewed at least at each end of the reporting year and, if expectations differ significantly from previous estimates, the changes are accounted for as a change in an accounting estimate, and the depreciation charge for the current and future periods are adjusted.

Cost also includes acquisition cost, any cost directly attributable to bringing the asset or component to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent costs are recognised as an asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss when they are incurred.

Intangible assets

An identifiable non-monetary asset without physical substance is recognised as an intangible asset at acquisition cost if it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measured reliably. After initial recognition, an intangible asset shall be measured at cost less accumulated amortisation.

The amortisable amount of an intangible asset with finite useful life is allocated on a systematic basis over the best estimate of its useful life from the point at which the asset is ready for use.

The annual rates of depreciation are as follows:

Patents and trademarks	– 10 years
------------------------	------------

Investment in financial assets

An investment in a financial asset shall be measured initially at the transaction price excluding transaction costs, if any. Transaction costs shall be recognised as expenditure immediately in the Statement of Financial Activities as incurred. Subsequent to initial measurement, an investment in a financial asset shall be measured at cost less any accumulated impairment losses.

## THE STRAITS TIMES SCHOOL POCKET MONEY FUND

### 2. Material accounting policy information and other explanatory information (cont'd)

#### 2A. Material accounting policy information (cont'd)

##### Receivables

Receivables excluding prepayments shall be initially recognised at their transaction price, excluding transaction costs, if any. Transaction costs shall be recognised as expenditure in the Statement of Financial Activities as incurred. Prepayments shall be initially recognised at the amount paid in advance for the economic resources expected to be received in the future.

After initial recognition, receivables excluding prepayments shall be measured at cost less any accumulated impairment losses. Prepayments shall be measured at the amount paid less the economic resources received or consumed during the financial period.

##### Cash and cash equivalents

Cash and cash equivalents include bank and cash balances, on demand deposits and any highly liquid debt instruments purchased with an original maturity of three months or less. For the statement of cash flows the item includes cash and cash equivalents less cash subject to restriction.

##### Payables

Payables excluding accruals shall be recognised at their transaction price, excluding transaction costs, if any, both at initial recognition and at subsequent measurement. Transaction costs shall be recognised as expenditure in the Statement of Financial Activities as incurred. Accruals shall be recognised at the best estimate of the amount payable.

##### Funds

Fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes if any by action of the management. Externally restricted funds may only be utilised in accordance with the purposes established by the source of such funds or through the terms of an appeal and are in contrast with unrestricted funds over which management retains full control to use in achieving any of its institutional purposes. An expense resulting from the operating activities of a fund that is directly attributable to the fund is charged to that fund. Common expenses if any are allocated on a reasonable basis to the funds based on a method most suitable to that common expense.

##### Provisions

A liability or provision is recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A provision is made using best estimates of the amount required in settlement and where the effect of the time value of money is material, the amount recognised is the present value of the expenditures expected to be required to settle the obligation that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense. Changes in estimates are reflected in the statement of financial activities in the reporting year they occur.

13. Fund accounts balances

In 2017, SPMF received \$120,000 from the Care and Share grant for the purchase of IT database system. SPMF recognised the grant income and created a restricted donation fund. The fund was used to purchase the system and SPMF recognises depreciation expense on the system on a yearly basis. As of the year-end, the fund has been completely expended, resulting in a nil balance.

14. Reserve policy

SPMF maintains a reserve policy to ensure it will be able to continue fulfilling its obligations and develop its principal activities.

SPMF reserves comprise the unrestricted accumulated fund and the restricted donation fund. To ensure it can continue to help needy students even in years when donations run low, SPMF shall maintain reserves at three to five years of annual operating expenditure. This is especially important as SPMF is committed to helping children and youth who meet the eligibility criteria by providing them with school pocket money for at least two years. In exceptional cases requiring additional help, SPMF will extend the financial assistance to up to four years.
